Discover this wonderful country that will surprise you with the friendliness of its people, its landscapes and roads. Tour the Alawite kingdom on your motorcycle accompanied by experienced guides who will take you to dream places.

Every night you will sleep in a magnificent hotel that will meet the highest expectations, including the one that we will spend under the starry sky in the middle of the desert, typical of the thousand and one nights.

1 - Tarifa - Chefchaouen - 188

Distance: 188 km. Estimated time: 4 hours On the morning of the 30th we will meet at the port of Tarifa to board the first ferry to Tangier. A tedious procedure in which we will have to arm ourselves with patience but it will be worth it. We are already in Morocco! After going through the ATM to withdraw some cash in local currency, we head east along the coastal road to start a beautiful route that will take us to Chaouen, in the Rif mountains. After this first contact with the country and after having driven on its roads, we will already have an idea of its peculiar way of driving and most importantly, the roads here are not just for vehicles! Mules, donkeys, wagons, people, dogs, bicycles, mopeds and anything you can imagine, you can find it in the middle of the road. Dinner
