KUUSAMO OFFERS GREAT SURROUNDINGS FOR SNOWMOBILE SAFARIS!

If you like to feel the speed, are into driving a motorized vehicle and ready to venture into the snowy wilderness, then snowmobiling is the adventure for you. Snowmobile safari, whether you do it during daytime or aurora hunting at night, is an experience you will not forget. Snowmobiling is suitable for families as well as adventurous adults. Just pick the right type of safari below and off you go! After a guided safari, the most adventurous ones can rent a snowmobile and explore the arctic forest on their own.

Finland is one of the most unrestricted areas in the world for snowmobile vacations: anyone with a driving licence can rent a skidoo or take part some of several snowmobile programmes and enjoy hundreds of kilometres of prepared snow tracks.

If you are eager for more after the guided snowmobile tour, you can always rent snowmobiles on your own. There are more than 700 kilometres of snowmobile tracks from which 500 are regularly maintained. To find your way around, you can either by traditional paper map from the local shops or an online map where you can also follow the maintenance on real time
