On this occasion we propose a route through the north of Spain, starting and ending in Bilbao, in which we will drive through the most beautiful sites in this incredible area of northern Spain ... We will enjoy the Picos de Europa, curvy roads stuck to Cantabrico.

With an average of about 300 km per day, it is a trip that we highly recommend, since in addition to going on a motorcycle, we will enjoy a unique gastronomy and good accommodation every night.
