This 18-day tour of the South to North Islands of New Zealand puts you in the middle of beautiful scenery ranging from rolling pastures to white sandy beaches to rugged mountains. You will experience riding through old growth rain forests, along sweeping costal roads, through rugged hill country, and lush pasture lands, while enjoying gentle sweeping corners mixed with twisty back roads.

Picking up your bike and leaving the modern city of Christchurch you will ride rugged coastal roads and through the Southern Alps before crossing to the Nth. Island to cruise through the relaxing back roads on this riders paradise, before dropping off your bike in Auckland.

The roads in NZ are in good condition, with light traffic out of the cities. Other than road repairs you will not be required to ride on any unsealed roads.

This tour is approx. 5,665 km (3,370 mi.)

This tour is suitable for Intermediate or Advanced riders. Note: NZ drivers drive on the left-hand side of the road.

This amazing tour highlights some of the best that the Nth. & Sth. Island has to offer. This exciting tour includes accommodation ranging from modest cabins to deluxe quality hotels.
