A wonderful 3 day tour perfect for your long weekend, or as add-on to your on-going South Africa vacation. Explore the Western Cape's beautiful coastal roads, winding mountain passes and stunning nature on the fantastic Royal Enfield motorcycle. What's a better way to discover this wonderful country than on a vintage-style motorcycle!

1 - Cape Town - Franschhoek - 120

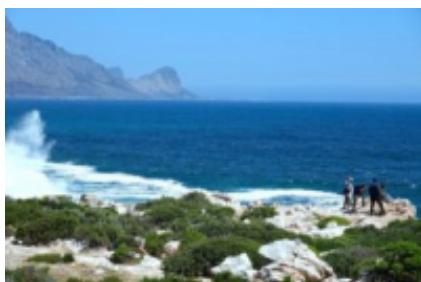

You start the day, receiving your motorbike for the tour. The ride begins as a leisurely trip through the Durbanville Hills, along the wine route before starting up Helshoogte Road. You head into the mountains to arrive in Franschhoek, the base of the French Huguenots settlement in South Africa, and the heart of wine country.

Take a relaxing stroll to explore the beautiful town of Franschhoek or jump on the famous historical Wine Tram which will take you on a ride through the beautiful winelands where you can visit the vineries, enjoy a wine pairing or wine tasting and visit famous wine cellars of some of the best South Africa vineyards. You can also explore the French museum and other historical sights before ending the day with a French inspired dinner.

2 - Franschhoek - Hermanus - 100

The second day's ride starts up to join the Franschhoek pass, weaving your way down to the Cape's largest dam, Theewaterskloof. From the dam, you turn and make your way through the mountains down to the town of Hermanus. Hermanus is famous for whale watching. Explore the waterfront, and have a glass of wine while watching for these magnificent beasts, or head down to chill on the beach. If you want to experience the thrill of Shark Cage Diving, we can organise a trip on the next early morning, before we head back to Cape Town.

3 - Hermanus - Cape Town - 220

Today's ride hugs the coastline as you make your way along the picturesque Clarence drive, passing through the seaside towns of Strand, Gordons Bay and Rooi Els in the shadow of the Hottentots Hollands mountains.

You then join Baden Powell drive, leading you to Beach Road, riding along the coast through the former fishing towns of Fishhoek, St. James and Kalk Bay before passing through the South African Naval town of Simonstown. After which you will head down to the famous meeting point of the Atlantic and Indian oceans at Cape Point. Here you can stop for lunch where you can sample local South African cuisine before heading up the world-famous scenic Chapman's Peak drive into Hout Bay, Camps Bay and the V&A Waterfront, where you can enjoy the sunset over a sumptuous meal.
