On this occasion, we propose the first part of the route, (from Chicago to Albuquerque) This means about 1200 miles (about 2100 km) during 8 days of travel, 6 of them by motorcycle, since not everyone has 15 days to do the route complete.

On this route we provide the bikes, the guide on his own bike, an assistance van that follows the group with all suitcases and a spare bike in case there is any incident with any of the bikes. Also the acomodation with breakfast and much more.
